

How to Enable and Buy BBS Token in Trust Wallet

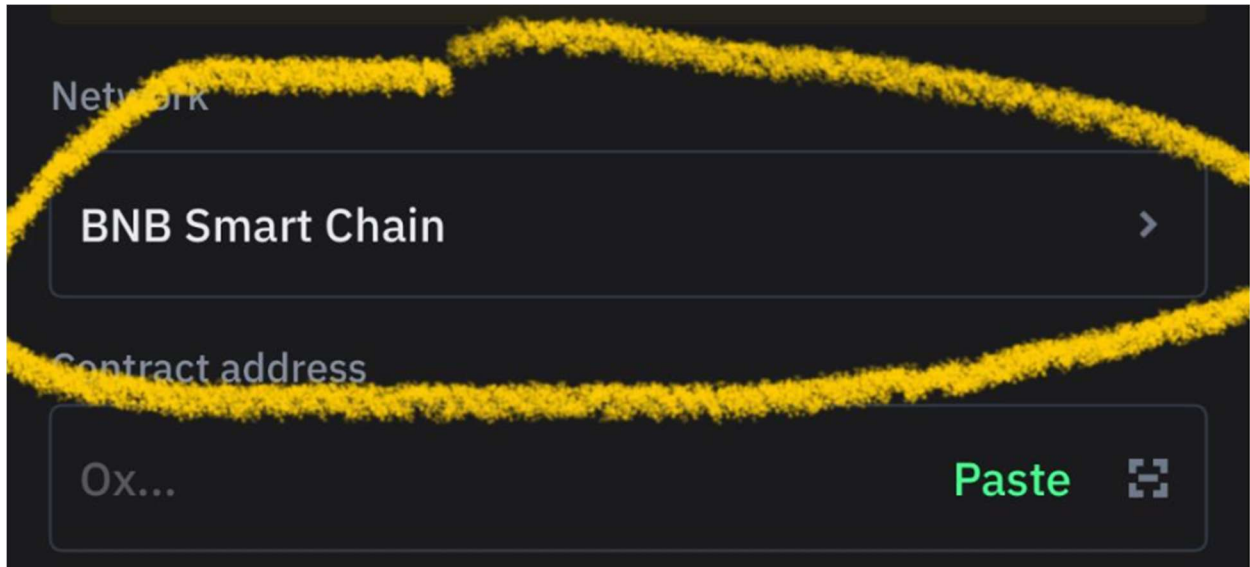

1. Download Trust Wallet on your smart phone or Chrome/Edge Browser
2. If you already have a trust wallet key, just click on “Import wallet.” If not, tap on “Create a new wallet” to create your wallet.
3. Open the trust Wallet where you want to enable BBS (ie. Main Wallet or any other)
4. To enable BBS, tap the button on the top right corner (see screenshots)

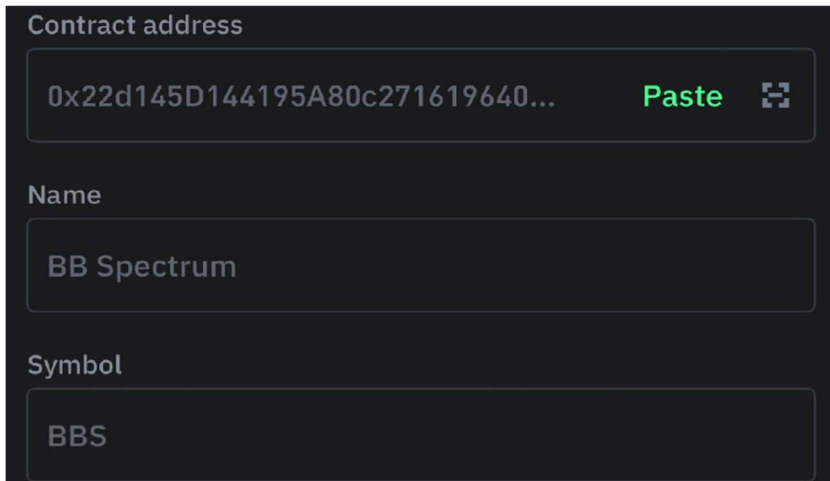

5. Click on the plus (+) sign

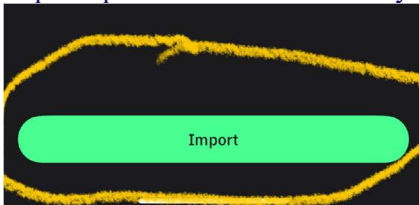

6. Change the “Network” to BNB Smart Chain

7. Copy the BBS Token contract address 0x22d145D144195A80c271619640d6198BEF97f91f
8. Tap “Paste” to paste the BBS contract address: 0x22d145D144195A80c271619640d6198BEF97f91f
9. You will then see the BBS Token information.

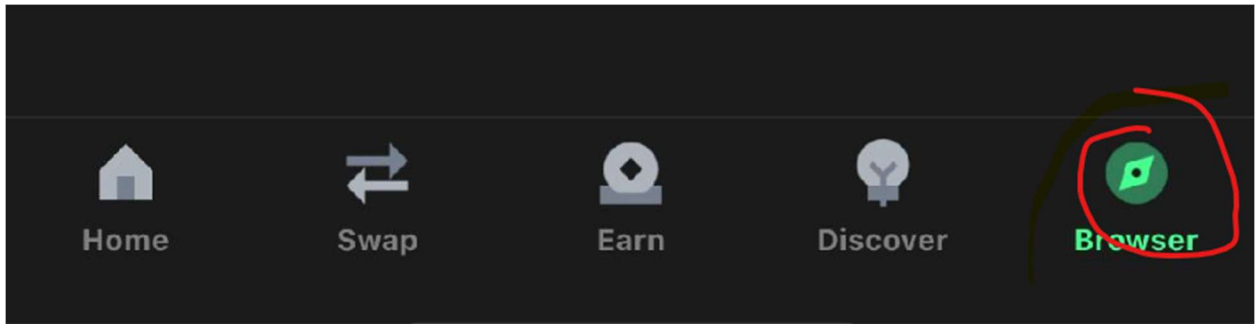

10. Tap “Import” to Save the coin to your wallet.

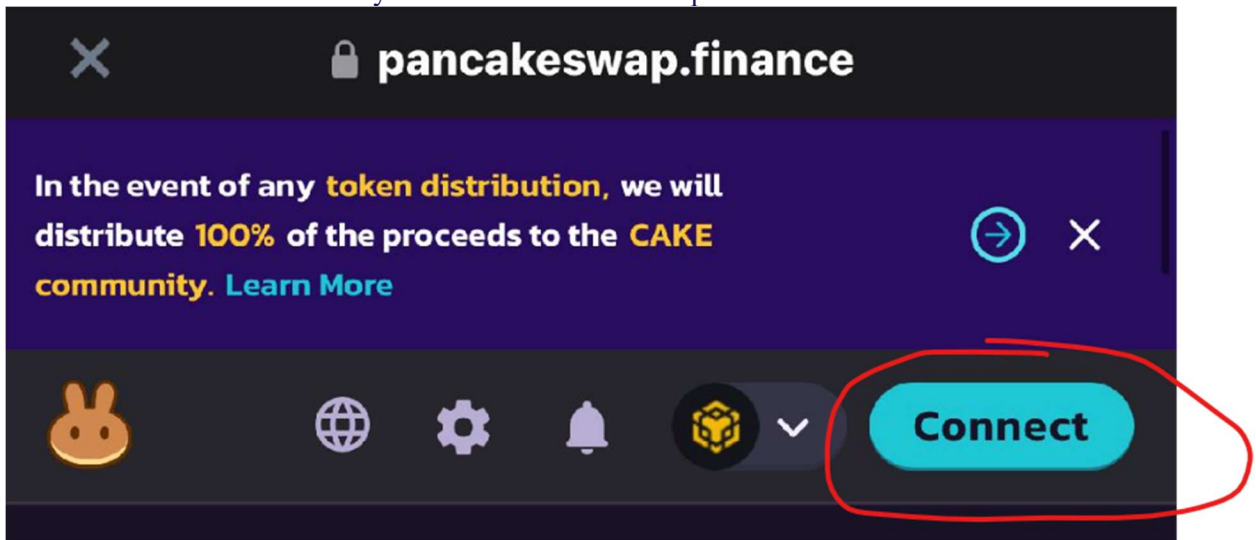

11. Now you will see 0 BBS in your wallet because you have not yet purchased the coin. Once you purchase it, the amount you purchase will show in your wallet. The next step is to go to Pancakeswap to purchase the coin.

To purchase BBS in Pancakeswap, follow the steps below:

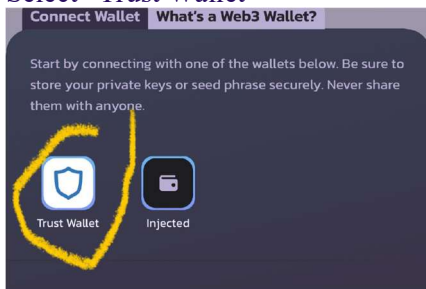

12. Go to the browser inside Trust Wallet (or open any other browser)

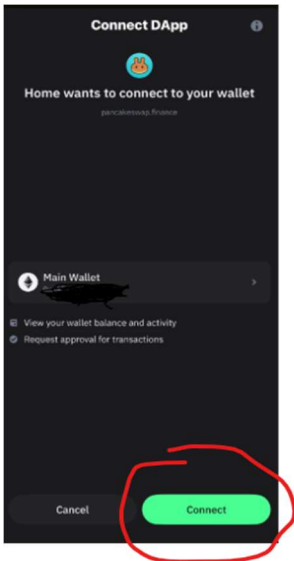

13. Type www.Pancakeswap.finance
14. Click on "Connect" to connect your wallet to PancakeSwap

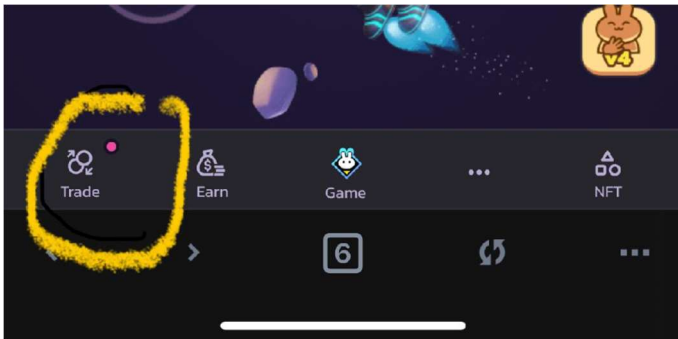

15. Select "Trust Wallet"

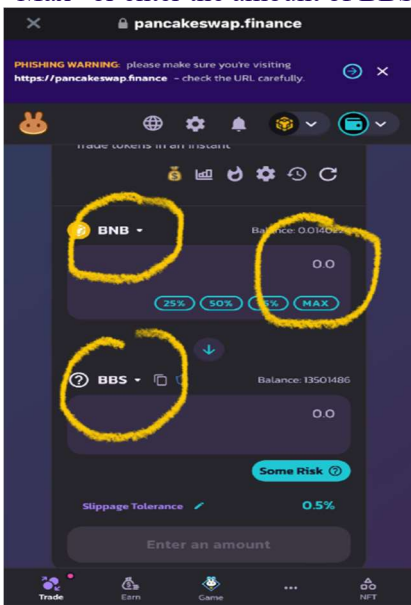

16. Click on Connect again when it ask you to confirm

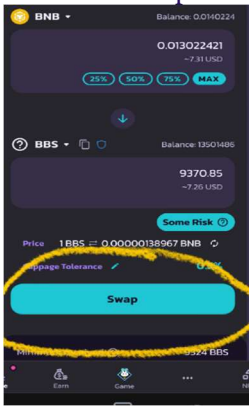

17. Go to "Trade"

18. Tap the drop down on top to search and select the coin you are using to buy BBS; then tap the drop down at the bottom to search and select BBS (use BBS address to search for BBS to make sure you are buying the genuine BBS 0x22d145D144195A80c271619640d6198BEF97f91f); then then select "Max" or enter the amount of BBS you want to buy.

19. Click on “Swap” to buy BBS:

20. Done!

Note: You can purchase BBS with BNB, USDT (BEP20), USDC, or any other BEP20 Token.

21. Direct Link to BBS on Pancakeswap is:
